## **AGENDA**

### **Last Meeting Follow-up**

1. N/A

### **New Business**

- Teacher Appreciation Week
- Innovation Plan Overview

## **NOTES:**

John H. Amesse  
Elementary

Teacher appreciation week ideas:

- Day off for teachers, Coffee Cart, Breakfast, Donations from parents, family and community members, Have different groups take a day and do something for teachers (SAB, Snack and Chat families, School). Have families cover classrooms so teachers can have additional planning time

Innovation plan highlights - Following the traditional DPS calendar for staff and students. Traditional schools can ask the district for waivers to meet the needs of their community, waivers for training (allow the school to provide trainings other than DPS provided training) so PD and training will be provided based on school needs, actual vs. averages for instructional staff, School Leadership teams, Waiver for curriculum choice, we use all DPS curriculums except for our math curriculum (we use Engage NY Eureka Math)

Questions -

Will ECE be supported with field day and continuation

## **ACTION ITEMS**

1. Complete Google form for companies that we can send the fundraising letter to
2. Come up with a solid plan for Teacher Appreciation Week. Michael will start an email chain
