Last Meeting Follow-up

1. 1st meeting of the year - Overview of CSC and Review of Data - Where are we and where do we go from here?

New Business

- Principal and President Introductions
- Collaborative Norms - Agreement of 7 collaborative norms (10 people agree on the norms with the changes in language - Changes are pause and reflect and Presume positive intent).
- Arrival and Dismissal Procedures - Arrival and dismissal procedures will begin 09/12
- Safety Plan review - What are the type of lockdowns in schools
- CMAS Data Dive - Root cause analysis
- How do we engage more families?

NOTES/Questions:

Possibly a family clinic to support families with how to help students with their homework.

Root causes for data - Possible disconnect between school and home, no homework is being sent home for students to complete with families so families know what students are working on at home, strategies to support families with learning how to help their students, students are losing interest and engaged in the learning, COVID and the pandemic

How do we engage more families - Hands on session to get more volunteers to support, communication to families to get them involved,

ACTION ITEMS

1. Official vote on Collaborative Norms with all voting members
2. 4 parent nominees to become voting members (for vote)
3. Resources and ideas on how families can support within the school
