Changes to ECE Application Process:

All ECE-3 and ECE-4 families will need to participate in DPS SchoolChoice to match with their preferred school for the 2024-25 school year. This is a change from last year as families will be applying through DPS SchoolChoice first instead of Universal Preschool Colorado (UPK).

We are directing families to the DPS SchoolChoice application for ECE enrollment. We strongly encourage families to submit their ECE application during Round 1, as this will offer them the best chance of obtaining a seat at their desired preschool program. Round 1 opens at 10 a.m. on Jan. 11 and closes at 4 p.m. on Feb. 12, 2024. After Round 1, the DPS Enrollment Services and Early Education teams will reach out to families to provide the next steps for completing an application for funding support through UPK.

Please refer to the Preschool Round 1 Toolkit for resources to support ECE enrollment for your families. Please direct any questions to our Front Office staff: Lisa and Erica at 720-424-9988 for all enrollment questions.

We need Parent Volunteers!!

We need parent volunteers to organize and help classes in the STEAM Lab, the Art Room, the Book Room, the Library, and the Resource Room. If you are available for a couple of hours one time or one day a week, we could use your help on Tuesdays and Thursdays. Call the office at 720-424-9988 for more information.

John H. Amesse Elementary History Museum Project

**Are you an alumni of John H.
Amesse?**

**Do you know any John H.
Amesse alumni?**

**Do you have a student who has
graduated from John H.
Amesse?**

We are hoping to start a walking John H. Amesse History Museum. Please forward them [**this Google Form**](#) so that we can begin to collect the names, contact, stories, and pictures in order to piece together our JHAE History.

The goal will be to create a museum of pictures, stories and artifacts that help our current community understand and appreciate the rich history of the Montbello community and the JHAE legacy.
