John H. Amesse Families,

School Choice

It is time for School Choice. The window opens on January 11th. Please [click here](#) to go to the website to get more information. If you have questions, please feel free to reach out to our Front Office staff. We are also working to organize a Middle School event for our 5th grade students at the end of January/beginning of February. Stay tuned!

ACCESS Testing

For all students who are learning English as a second language, there is an assessment called the ACCESS Test beginning Monday, January 8th. Those students (from Kindergarten to 5th grade) will be testing over the next two weeks. If your student is testing, please ensure that they get plenty of sleep, that they arrive on time, and encourage them to do their best. Our school community just had a parade to celebrate and encourage them on Friday. We are so proud of all of our students and the hard work that they do every day!

Sincerely,

Michael Bateman
Principal, John H. Amesse

CSC Meeting & Snack Chat Meetings

Come out to our parent meetings. We need to move our CSC Meeting to January 25th to ensure that we are able to present our 2024-2025 budget after our draft is complete. We will also provide an update on how we are partnering with families in supporting our communication around assessments.

We need Parent Volunteers!!

We need parent volunteers to organize and help classes in the STEAM Lab, the Art Room, the Book Room, the Library, and the Resource Room. If you are available for a couple of hours one time or one day a week, we could use your help on Tuesdays and Thursdays. Call the office at 720-424-9988 for more information.

Reminders

Saturday School Slots are available!

Sign up for Saturday School with our Front Office staff. It starts again on February 3rd. Current students in the program do not need to sign up again.
