

# What's happening at JHAE?

John H. Amesse Families,

Thanks to all who participated in the Math & Black History Night. We had a wonderful time enjoying a beautiful rendition of "The Black National Anthem" performed by Deneisha Hearon. In addition, students from our school who are in the Struggle of Love program performed a couple of songs with their after school music teacher. Families enjoyed Math activities at all grade levels and fun carnival games as well. In addition, families had the opportunity to vote for their favorite Black History Month poster and those families who shared it with me during the night entered the poster into the drawing. Only a few parents entered in the drawing; however, the winning Black History Month Poster goes to.....Ms. Ezell's class! Congratulations to Ms. Ezell's class! You will be getting a doughnut party this week.

Sincerely,  
Michael Bateman
