

# What's happening at JHAE?

John H. Amesse Families,

The safety of our students during arrival and dismissal is extremely important to our community. As such, the gates to the parking lot will be closed as we start welcoming and dismissing students. Cars that are parked in the parking lot will not be permitted to leave until the arrival or dismissal process is completed.

For this reason, please ensure that you do not pull into the parking lot to pick up students directly before arrival and dismissal. Please also remember not to plan to pick up students from the office after 2:15 pm on Mondays, Tuesday, Thursdays, and Fridays; or after 12:30 p.m. on Wednesdays. Student pick up within the last 45 minutes of school is challenging as classrooms are wrapping up lessons and transitioning for dismissal. Thank you so much for ensuring that you are not using the parking lot for pick up, showing appropriate etiquette to fellow families during the arrival and dismissal processes, and following the protocol for office pick up.

Sincerely,  
Michael Bateman  
Principal, John H. Amesse
