### Career Day

We will be hosting a Career Day for students on Thursday, May 9th during the school day (8:00 a.m. - 2:45 p.m.). We need parents and community members to share their careers and encouraging words with students on the connection between academics and choosing a career that supports their future and that they enjoy. If you would like to volunteer as a presenter or if you know someone that would make a great Career Day presenter, please contact the main office. Look for a flyer to sign up as well.
