Cultural Buffet & Talent Show

John H. Amesse Families,
CMAS Testing for 3rd - 5th grade students began on Tuesday, April 9th. CMAS is the state test that measures student proficiency in Math, Literacy and Science. Please be sure to have students get a good nights sleep and have them eat a good breakfast or plan to eat breakfast at school. Let's have students finish strong as they finish testing this week, with makeups next week.

During CMAS Testing (from April 9th - April 26th) visitors will not be permitted in classrooms in order to assure test security.

Sincerely,
Michael Bateman
Principal, John H. Amesse
