John H. Amesse families,

We are looking for parents to serve as voting members of our parent leadership group for next year. The group oversees and plans events throughout the school year. In addition, they advise school leadership on the school calendar, school initiatives, and the annual budget. If you are interested please turn in the parent leadership interest form. We currently do not have enough completed forms to conduct the voting at this time. We will complete the voting process during August registration in order to get more candidates.

All families need to register for school for the 2024-2025 school year. If you are a returning family, you can complete online registration the the Parent Portal. Only new families will need to complete the full registration process. We will have registration days on Tuesday (Aug. 6th) and Thursday (Aug. 8th) from 8-4 p.m.; and on Wednesday (Aug. 7th) from 10 -6 p.m.

All families will receive a free uniform t-shirt once registration is completed.

Families can attend the registration days to receive their free uniform shirt, or can pick it up at our Meet and Greet event-which is currently scheduled for Thursday August 15th from 4-6 p.m.

Uniform Exchange Days

As students are growing out of their John H. Amesse uniform shirts, they will need new ones. As a service to our school community, we would like to provide a forum for families to donate their John H. Amesse t-shirt and polos to other families; while having access to t-shirts and polos in larger sizes for their own students.

This week we invite you to donate John H. Amesse shirts, polos, or sweatshirts that no longer fit your students. We have not received any donations yet to prepare for this week, so we will organize them and have a table available during August registration for families to “shop” for their students. The uniform policy will remain the same, in that all students will need to wear a John H. Amesse shirt or polo each day, and pants, shorts or a skirt without holes that are no more than 3 inches above the knee (shorts/skirts). For next year, the shirt or polo can be from any of the approved John H Amesse styles or a plain light or dark blue polo. We will send out more information regarding ordering additional shirts or polos for next year.

Sincerely,

Michael Bateman

Principal, John H. Amesse Elementary

John H. Amesse Families,

If you are still looking for summer activities for your student, please look at the following programs that are available in our area.

- Grades 3-8 [Colorado Dream Foundation's Summer Program](#)
- Grade 5 [Summer Youth Entrepreneur Workshop](#) (Metro DEEP)
- Grade 5 [Career Immersion Program](#) (Metro DEEP)
- Denver Parks & Recreation [Summer Activities](#)
- Age 5-17 Opening Act [Theatre Camp for Girls](#)
- [DPS Summer Programs](#)
- [ReSchool CO: Discover Learning](#)
- [Denver Gov Resources](#)

Also, we will have summer activity packets available for students, so that they can practice Literacy and Math skills over the summer. Look for info from your student's teacher.

Sincerely,
Michael Bateman
Principal, John H. Amesse

Summer Technology Check-out

This year, the Denver Public Schools district will not be issuing or checking out computers to students over the summer. All devices and chargers will be checked back into the school and will be reissued at the beginning of next school year. If your family has been loaned a hot spot for Internet service, through the district, you may utilize that over the summer. Please check in with our Tech Partner (Ian Miller) with any questions. Students who have damaged devices will be issued fines based on the damages. Communication will be sent home and fines must be paid in a timely manner.

Summer EBT Program & Updating Addresses in Infinite Campus Before the End-of-the-Year

Please fill out the Summer Electronic Benefits Transfer (EBT) program, which provides vital support during the summer months. This resource is particularly significant for our New Arrivals families and can make a meaningful difference in providing access to meals. CDHS has created an outreach toolkit in English and Spanish to help get the word out about Colorado's Summer EBT program.

Additionally, please update your address in Infinite Campus (IC) before the end of the school year. Your assistance in facilitating this process will help us maintain strong connections with our families and effectively support them with necessary updates and resources.

DPS is working alongside the City and County of Denver to expand youth engagement programs and community services. We are honored to be collaborators in these efforts.

Thank you for your dedication to partnering with our school community.

Summer Food Service

Food and nutrition services (FNS) are providing breakfast and lunches with families at the following locations during the summer.

Did you know there are many post-secondary opportunities and resources for graduates right here in Colorado?

To spread the word, we ask that principals distribute this informational letter from the Colorado Department of Higher Education (CDHE) and Colorado Department of Education (CDE) to your graduating seniors and their families. The letter is in English and Spanish. For more information visit <https://cdhe.colorado.gov>.
