Partner with us!

Collaborative School Committee

We would like all parents who have expressed an interest in becoming a voting member of our parent leadership group to plan to attend our Back to School Night. At the meeting in the cafeteria, we will have parents who are interested come to the front to say your name and the grades of your students. This will give parents in the community a chance to see your face before we have a vote next week to select 3 new members.

Back to School Night

(Thurs. 9/14 @ 4-6 pm)

Come visit your student's teacher, learn about our school-wide goals, and sign up to be a library volunteer. Also, there will be free snacks, a Hispanic Heritage family project raffle for gift cards to "Pollo Loco!"

Also, please bring a family photo to share with your student's teachers (playing a sport, singing or playing an instrument, or just having fun together).

WE ARE PARTNERS IN YOUR STUDENT'S EDUCATION

John H. Amesse Families,

We are partners in your student's education. As such, we have two important documents that we will be sharing with you this week at our Back to School Night. At Back to School Night both the digital copy and paper copies will be available.

Family Handbook

The Family Handbook reviews important policies that are important to ensure that students are ready to learn and that there is clear communication around systems and operations.

Parent/School Compact

The Parent/School Compact will list expectations that you should have of school staff, and crucial ways that we need families to partner with us in order to help every student achieve grade level goals.

We will also include links to the documents in next week's Roadrunner Rundown. Please read the documents, and return the online form or the paper form as a form of signature.
