We have a Gifted and Talented program at John H. Amesse with Mrs. Katie Martin. However, we want to empower parents to nominate students as well so that you can share with us the unique gifts and talents of your student.

In sad news, we are saying farewell to Yesenia in our Front Office, who will be moving into a different position within the district. Please share your kind words and thoughts with her as she has helped to welcome students and families to our school over the past few years. We will be welcoming Lisa Velasquez and Erica Limas as we start the month of October.

Sincerely,
Michael Bateman

On Time Attendance Matters!

In order to be ready for learning all students must arrive each day at 7:40 a.m. in order to get breakfast and to have a brief lesson to check in on their feelings before starting into a rigorous day of learning. October 2nd is count day for attendance, and students solidify their funding based upon student attendance during the October Count window, so on time attendance is especially important. We will have some fun dress up days and we will finish up with picture day on Friday, Oct. 6th.
